

## Declaration of REACH Conformity

**Product name :** OPPO Enco W51 True Wireless Headphones  
**Model :** ETI21  
**Producer's Name :** GUANGDONG OPPO MOBILE TELECOMMUNICATIONS CORP., LTD.  
**Producer's Address :** NO.18 HAIBIN ROAD, WUSHA VILLAGE, CHANG'AN TOWN,  
DONGGUAN CITY, GUANGDONG, CHINA

According to the Regulation (EC) No 1907/2006(REACH), OPPO is defined as a producer of articles and has done its best to meet requirements of REACH. Details are as follows:

### Registration

According to Article 6, General obligation to register substances on their own or in mixtures. Any manufacturer or importer of a substance, either on its own or in one or more mixture(s), in quantities of one ton or more per year shall submit a registration to the Agency. **As a producer of articles, OPPO does not apply this requirement.**

According to Article 7, any producer or importer of articles shall submit a registration to the Agency for any substance contained in those articles, if both the following conditions are met:

- (a) the substance is present in those articles in quantities totalling over one tonne per producer or importer per year;
- (b) the substance is intended to be released under normal or reasonably foreseeable conditions of use.

**As far as we know, there is not any substance contained in article intended to be released in this product.**

### Notification

According to Article 33, any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.1 % weight by weight (w/w) shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of that substance.

**OPPO has assessed the SVHC may be contained in this product above 0.1 % weight by weight (w/w).**

SVHC	Application	Products
1,3-propanesultone	Lithium-Ion Battery	Mobile phone, Bluetooth headset, Portable power source, Bluetooth speaker and other devices which contain Lithium-Ion Battery
Lead	Electronic component, Metal	Devices which contain printed circuit board assembly
Lead monoxide (lead oxide)	Electronic component	Devices which contain printed circuit board assembly
1,2-dimethoxyethane	Button cell	Selfie stick, Remote button and other devices which contain Coin Cell Batteries
Azodicarbonamide	Polyethylene Foam	Mobile phone, etc

The SVHCs used in these products do not pose a safety risk to customers under normal use conditions. To ensure that these products are recycled appropriately, you can return your OPPO device to an OPPO after-sale service station for free recycling.

According to Article 7, any producer or importer of articles shall notify the Agency, in accordance with paragraph 4 of this Article, if a substance meets the criteria in Article 57 and is identified in accordance with Article 59(1), if both the following conditions are met:

- (a) the substance is present in those articles in quantities totaling over one ton per producer or importer per year;
- (b) the substance is present in those articles above a concentration of 0.1 % weight by weight (w/w).

**OPPO will work with its supplier to ensure that all applicable SVHC are notified.**

## Restriction

According to Article 67, a substance on its own, in a mixture or in an article, for which Annex XVII contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction.

**Those restricted substances applicable to article have been restricted by OPPO. This product does not contain any restricted substances applicable to article above the threshold level.**
